Dear Randy and Friends,

Thank you for your contribution of \$2,000.00 on 09/19/2025 to help provide a scholarship for Janeth Selene Avalos Gomez for the 2025-26 school year. Your generosity helps cover school registration and lab fees, school uniforms and shoes, gym clothes with tennis shoes, school supplies, the cost of transportation to and from school, and one hot meal a day. It also supports tutoring and mentoring sessions at weekly Homework Club. Through your support, students are empowered to take charge of their futures, pursue their goals, and build better lives for themselves, their families, and their communities.

Thanks to donors like you, students also receive dental care, their own books, and the opportunity to participate in arts and crafts activities and cultural excursions throughout the year. Each school year, we serve more than 200 junior high, high school, and college students. This year, that number has grown to 250, along with 362 elementary school students, and 150 students who have graduated from college! Last year's graduating class of 22 young women and men included engineers, architects, accountants, and scientists who will positively affect their communities for generations.

All sponsorship funds are pooled to ensure that every child and higher education student in our program receives the same benefits, regardless of whether they have an individual sponsor. Each year, some students do not have a sponsor, while others may have more than one. This pooling of support ensures that funding is available for the incentive programs and scholarships for all our students.

Thank you again for being part of this life-changing program!

Gracias!

Sincerely,

Dora E. Zúñiga
